

I am an avid reader and consumer of everything art and pop culture related. An aspiring multi-media designer and forever-growing artist. I believe absolutely in the pursuit of self-betterment and exploration. I consistently strive to develop myself, personally and professionally, to contribute to the success of any venture that I participate in, whether as leader, individual or as member of a team.

INGE LESSING

artist & designer

EXPERIENCE

FREELANCE ARTIST & DESIGNER | 2020 - PRESENT

For the past two years I have been working as a commission - based artist and freelance designer. Producing oil paintings, digital illustrations, logo designs web designs and loads more.

I've also been shadowing a designer and working to complete online courses whilst doing freelance projects.

EDUCATION

BA VISUAL STUDIES | 2019 | UNIVERSITY OF PRETORIA

This degree course covered the analysis of a variety of visual media, including, but not limited to, advertising, art, design and film study. I also took Marketing and Philosophy as additional modules during my degree studies.

DIPLOMA IN FASHION DESIGN | 2014 | WEST LONDON COLLEGE, UK

As part of the diploma course I had to complete a number of research tasks that spanned both art, design, and fashion. The course also included a practical component in which I constructed various structural fashion pieces.
